We have created the perfect balance between quality private-time and an opportunity to be social and meet new people. Look forward to unforgettable wildlife encounters, luxury and romance. Our activities include two-daily game drives, led by experienced field guides and trackers and morning bush walks with close encounters with the smaller inhabitants of Madikwe.

## Day 1: Arrival

Today we are chauffeur driven from our homes in luxury vehicles to Waterkloof in Pretoria.

In Pretoria we take a pit-stop at Kream, Brooklyn for lunch.

After lunch we check in at Castello di Monte Hotel.

Afternoon at leisure to soak in the atmosphere and to get acquainted with the hotel's facilities.

Supper at the hotel.

## Day 2: Science Fiction

Today we head out to Just Breakout for fun-filled experience of breaking out a room in which we are locked and have to figure out a strategy to escape from the War Room and solve the mystery of The Crazy Professor. We have 60 minutes to think outside the box and solve a variety of puzzles, using given clues, to achieve the ultimate mission or task. The escape rooms are designed to be challenging but also fun, searching for clues, solving puzzles, figuring out what to do next and yes even asking the game facilitators for a few tips if or when needed. Everyone playing will have great and memorable experience.

The War Room is loosely based on the 2nd World War. We are Allied Intelligence Officers and prisoners of war. The German soldiers have abandoned their posts for an hour while attending some entertainment in town. They think we are secure in our cells, but there is a way to escape. Now is our chance to get out alive but we only have an hour before it's too late...

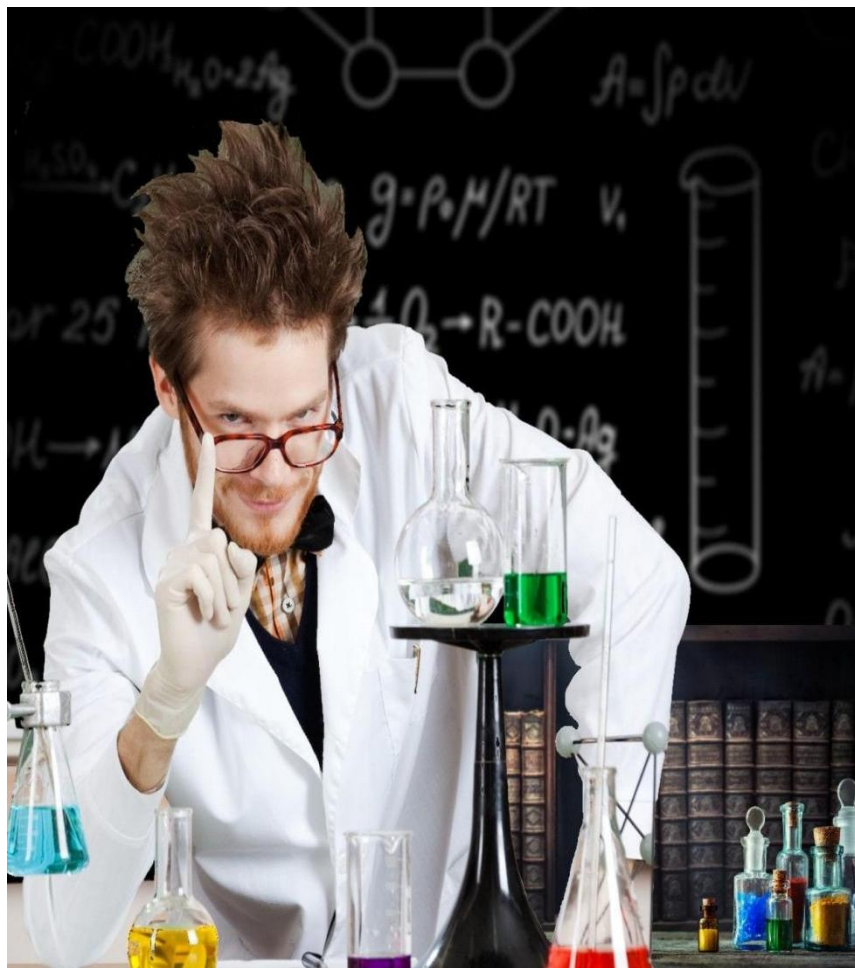

Our friend and colleague, Prof Kimia, is one of the leading scientific brains in the world. Although always a bit eccentric, he has become increasingly paranoid while working on his latest research project. Rumours are that he spends days locked in his office, only seen when receiving strange parcels including scrap metal or when lecturing his Physics class. In our last encounter with him, Prof Kimia was evasive and muttered that we are trying to steal his research before running away. Concerned for his health and mental wellbeing, we decide to investigate. We steal his office keys at the start of his one-hour Physics lecture and need to return the keys before the lecture finishes.

Lunch at Plan B Bistro.

After lunch we return to the hotel for afternoon relaxation with full premium bar and supper.

### **Day 3: All Work and No Play...**

Today after breakfast we head out to Rosemary Hill to spend the full day there. Rosemary Hill is a working farm where the wonders of nature beckon, inviting us to reconnect, rejuvenate and embrace the beauty of the farm. Nestled on the eastern outskirts of Pretoria, savoring nourishing food, wonder through the picturesque trails and find respite in the tranquil embrace of nature.

Our time at Rosemary Hills start with a Segway Tour of the farm. Segways are the coolest way to do a fun lap around the farm. These two-wheeled, self-balancing, battery powered personal transporters will guarantee a farm tour filled with laughter and a whole lot off fun as we cruise through the herb fields and learn about the beautiful working farm.

The Segway Tour of the farm is followed by some wine tasting. Situated on the picturesque Rosemary Farm, Bush Vine Bar & Wine Co is the ideal place to sit back and soak up the amazing vistas and peaceful surroundings of Rosemary Farm. Here, we will indulge in one of their wine pairing experiences from Late Bloomer Boutique Winery, laze around while we sip on freshly made cocktail,

Our lunch experience awaits as we ride, dine and unwind under pecan trees. After the wine tasting affair we enjoy a scenic horseback ride, a romantic picnic with champagne and peaceful horse watching.

We return to the hotel for afternoon relaxation at the bar and supper.

## Day 4: Madikwe Hills Beckons

This morning after breakfast we say goodbye to Nobleman as we head out to Madikwe Hills Game Lodge. We are transported to OR Tambo Airport for our private charter flight to Madikwe Hills.

Check in and afternoon relaxation at the lodge and to get acquainted with the lodge's facilities.

Supper at the lodge.

## Day 5: Madikwe Hills Experience

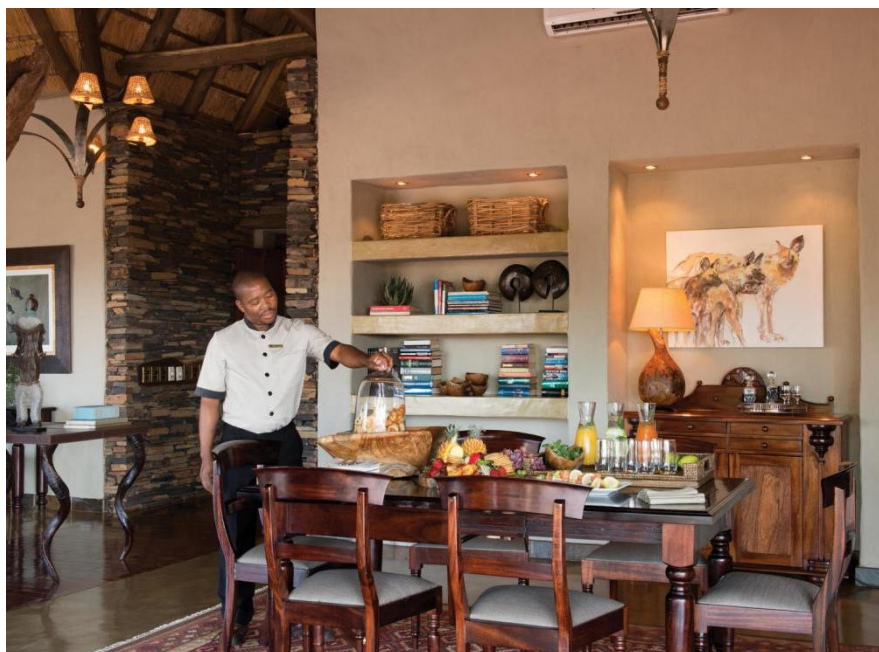

After breakfast we experience an up-close and personal glimpse of the African bush on foot with a gentle bush walk. This experience provides exceptional close encounters with the smaller inhabitants of the wilderness.

On return we spend the rest of the day at leisure at the lodge with lunch, supper and full premium bar.

## Day 6: Merry Christmas

Today it's Christmas Day and we spend the morning at leisure before a Black Tie Christmas lunch with a four-course menu at the lodge.

The Black Tie Christmas lunch is followed by an All White Christmas Party. The DJ is doing his thing on the decks and the bar is overflowing with beverages.

## Day 7: After the Fact

After breakfast we spend the morning at leisure to recover from the effects of yesterday's festivities with full premium bar and lunch.

Because today is our last day at Madikwe Hills our experience will be incomplete without exploring the wonders of the African bush on an afternoon game drive in state-of-the-art open game vehicles accompanied by knowledgeable and professional field guides in search of Africa's big game and smaller wildlife. Supper at the lodge.

## Day 8: Home Sweet Home

Today after breakfast its time to say goodbye to Madikwe Hills and we are chauffeur driven to the Madikwe airstrip for our flight to OR Tambo International Airport.
