## 4 Days of Love, Romance and Everything Else

Nestled in the heart of the KwaZulu-Natal Drakensberg, Cleopatra Mountain Farmhouse is a gourmet lodge dedicated to sumptuous food and country luxury. Even in the 1970's when we spent time here, the lamps had to be lit, the wood-fired geyser next to the bath had to be stoked before you could have a warm bath and the loo was reached by going through a gate in the fence. The dam was later put in by Ralph and Marj in the 1980's. Individually themed and meticulously decorated rooms, all with welcome fireplaces and picturesque views. Dinner is a sumptuous 5-course affair with no effort or expense spared to give our guests a memorable dining experience. A host talks you through every mouthful from pan to plate before you

sit down to enjoy the culinary team's creations. The unusual and exciting farmhouse breakfasts are the icing on the cake of your flavourful time with us. Fresh ingredients are essential, and being able to pick from the gardens minutes before serving is a real pleasure. A very new and exciting development at Cleopatra Mountain Farmhouse is our Copper Pot Spa. We have a professional in-house therapist who is qualified to pamper you with all the necessary treatments to relax or rejuvenate.
