Day 1: Arrival

Today we are chauffeur driven from our homes in luxury vehicles to OR Tambo Airport for a private charter flight to Prince Albert Airport (Glass Field).

In Prince Albert we take a pits-top at Karoo Kombuis for lunch.

After lunch we check in at Mont d'Or Swartberg Hotel.

Afternoon at leisure to soak in the atmosphere and to get acquainted with the facilities.

Supper at the hotel.

Day 2: Culinary Experience

This morning after breakfast we head out to African Relish for some cooking lesson to celebrate the unique and colourful dishes and learn about some quirky names and history behind these names. The African Relish team has collected and refined the very best of classic South African recipes. Today we learn how to make the best bobotie, bake the perfect

milk tart, or entertain with a comforting bredie. We will also learn to make the best snoek pate, samp and beans, old fashion chicken pie, lamb breyani and rooibos panna cotta.

P.S. Just in front of African Relish are four huge works of art for some Instagram pictures. These are stumps of four 130-year old Blue Gum trees which have been turned into street art.

After a morning of cooking lesson and lunch we return to the hotel for an afternoon of mind and body rejuvenation at Spa in Prince Albert. The spa treatment consists of full body massages, facial care and manicure and pedicure.

Relaxation and supper at the hotel.

Day 3: Cheese and Olive Tasting Experience

Today we begin our day with a visit to O for Olive for a true olive farm experience. The farm tour begins with a walk through the olive groves, moves on to the sorting tables, brining room and olive press, and ends with a delightful tasting session of the olives and light lunch at Cafe O.

Then we head over to Gays Guernsey Dairy for some cheese tasting experience. This is a family run dairy which makes natural products like cheese and yoghurt using raw milk from their Guernsey cows.

After tasting the products we have an opportunity to purchase some products to take home.

Later we return to the hotel for High Tea, relaxation at the bar and supper.

Day 4: Swartberg Circle

This morning we drive through what is considered one of the finest mountain passes in the world, Swartberg Pass. This is a 27km untarred road that winds to the summit 1 585 metres above sea level in steep zigzags and sudden switchbacks with breathtaking views at every turn and geological formations that shout 'plate tectonics'. The road is supported in places by handpicked dry stones retaining walls, a trademark of brilliant road engineer Thomas Charles Bain. The Pass was constructed between 1881 and 1886 as part of a drive by the government of the day to open reliable routes between the interior and the coast.

However, our adventure begins at Fransie Pienaar Museum to view the entire exhibition of the Pass.

Lunch at The Rude Chef.

Afternoon relaxation and supper at the hotel.
