Welcome to our beautiful world, where the most amazing family of people will take care of your every need. Our family is fortunate to be the custodians of one of Africa's last truly unspoiled wilderness areas. In the heart of the bush, we are the only private sanctuary rooted in both the Sabi Sand Game Reserve and Kruger National Park. Separated only by the Sabie River, wildlife roams freely between the two sides and we see the passage of an unparalleled number and diversity of species. Lion Sand's natural animal population includes the Big Five and is renowned for leopard viewing. Game drives, in open safari vehicles, head out at sunrise and again in the late afternoon with exclusive traversing rights in Sabi Sand and Kruger Park.

Day 1: Arrival

Today we are chauffeur driven from our homes in luxury vehicles to the airport for a flight to Cape Town International Airport.

In Cape Town we take a pitstop at Belly of the Beast Restaurant for lunch.

After lunch we check in at Cape Cadogan Boutique Hotel.

Afternoon at leisure to soak in the atmosphere and to get acquainted with the facilities.

Supper at the hotel.

Day 2: Majestic Drive

Cape Town is a city made for road-tripping and the Peninsula creates the ideal circular road trip offering awe-inspiring scenery and stops in every direction... the Atlantic Seaboard, Chapman's Peak

Drive, Cape Point, Boulders Beach, the False Bay coast, Constantia Winelands for wine tasting and lunch. The signature varietal is Sauvignon Blanc. We visit three wine farms – Groot Constantia, oldest wine estate in South Africa, Klein Constantia and Buitenverwachting where we also have lunch. What makes the road trip even more fun is that it is in a classic Cobra sports car with the wind in our hair. Supper at the hotel.

Day 3: Adrenaline Rush

This morning after breakfast we go kloofing in Kamikaze Canyon. The name says it all. This full-day nature excursion ends with lunch and cold beer. In between we will be ticking off our adventure wish list - jumping off cliffs (from three to 22 metres high) into crystal-clear rock pools, abseiling down the spectacular 65-metre Thunder Falls, not to mention hiking amid gorgeous scenery with incredible sea views. It all takes place in the Steenbras River Gorge, part of the Kogelberg Biosphere Reserve renowned for its rich fynbos and craggy mountains. Run by qualified guides, this outing is suited to novice and seasoned adrenaline junkies alike.

Lunch at The Grill Shack.

Supper at the hotel.

Day 4: Fun in the Water

After breakfast we head over to Simon's Town to go deep into the ocean for some adrenaline adventure as we get up, close and personal with the sharks on this shark cage diving experience. The cage floats just under the surface of the water, and it is situated alongside the boat. Only 5 enter the cage at a time, all scuba equipment stays on board and only the air hose enters the cage, allowing us to enjoy a great dive without cumbersome, heavy tanks and gear.

After lunch at Bistro Sixteen82 our adventure in the ocean to view marine life, including seals, penguins (and even whales in season), as well as the picturesque scenery of False Bay continues, only this time in the comfort of water bikes. All we need to do on these state-of-the-art water bikes is take a seat and pedal away, exactly like we would on a normal bicycle. Besides being fun, water bikes are super-stable and don't require fuel, making them eco-friendly and a quiet way to cruise the ocean. The crew are close by, on a nearby guide boat, to take us from Simon's Town pier, past the naval base, on an ocean adventure.

After an adventurous day we return to the hotel for supper.

Day 5: Kruger National Park Beckons

After breakfast we are chauffeur driven to the airport for a flight to Skukuza Airport in Mpumalanga. In Skukuza we take a road trip to Lion Sands Game Reserve where we spend the next three days. Our time at Lion Sands begins with an afternoon game drive with sundowners and supper to set the tone for our wildlife adventure.

Day 6 - 8: Lion Sands Experience

For the next two days our time at Lion Sands is spend on morning and afternoon game drives for the best sightings of the day, perhaps a bush walk for a closer look in between spa treatments or a dip in the pool as wildlife wander by.

Daily breakfast, lunch and supper at the lodge.

Day 9: Home Sweet Home

This morning we wake up to the last look over the Sabie River with a game drive over a fantastic coffee as we get our favourite images printed at the Creative Lab for the ultimate keepsake before taking a flight back home.

On arrival at OR Tambo International Airport we are chauffeur driven to our respective homes.
