# 4 Days of Love, Romance and Everything Else

The Turbine Hotel & Spa was an ambitious project which transformed an old power station into a unique 5-star boutique Knysna hotel. All the old machinery which was used in this power station has been lovingly restored and forms an integral part of the hotel's aesthetics. Soak up its fascinating history as you walk past massive turbines on the balcony and marvel at the intriguing steel pillars and pipes that now form part of its funky décor. Each of the rooms provide luxurious amenities, a fully stocked mini bar, and a tea and coffee station. The Turbine Hotel also offers 5-star facilities including the Turbine Spa, the excellent Island Café, a pool with a great view on the wooden deck and a variety of activities to keep you entertained. The 90-seater Island Café restaurant at the Turbine Hotel overlooks the stunning canal and serves up extraordinary dishes from a

diverse a la carte menu. The Gastro Pub, on the other hand, is the perfect spot to enjoy after-work drinks, catch the latest rugby or football game or indulge in a post-dinner night cap. Alternatively, celebrate the end of another glorious day in Knysna on Geoff's Deck whilst sipping on something from the extensive drinks menu, and filling up on an imaginative pub-style variety of snacks.

## **Saturday: Get a Taste of the City**

Today after breakfast you go on an adventure of a lifetime. Your day starts with paragliding adventure as you explore the magic of the Garden Route from a bird's eye view. Here you enjoy breathtaking views, combined with the thrill of soaring over the landscape.

And then you go on a hike to remember. The circles in the forest are situated in the Goldfield ("Goudveld") forest in Knysna. The trail starts at the Krisjan-se-Nek picnic site. It is a beautiful scenic, sensual and picturesque walk. You will come across a swimming hole and waterfall. The trail goes through the forest surrounding you with a thick density of

ferns, large trees and the forest floor is thriving with frogs and other small critters, if you are lucky you may also spot the infamous Knysna Loerie. There are two routes: a short 3.1km circle route and a 9km circle route and you take the 3.1km route. The effort level during this walk ranges from easy to moderate, making this pleasant for anyone over the age of 5.

Lunch at Freshline. They offer a unique, relaxed seafood experience outdoors with your feet in the sand.

After lunch you enjoy a guided tour of Knysna and surrounding areas which include viewpoints like Margaret's Viewpoint, Brenton-on-sea and the Suburbs of Concordia. The last viewpoint is at the Knysna Heads.

You finish off the day with a sunset cruise.
