# 8 Days of City and Bush Life Meander

Kurland guest experience is both authentically heartfelt and homely, but also utterly opulent and abundant. It's the perfect place, and wide-open space, to take a deep breath and push pause; to spend quality time surrounded by those you love, in a setting that serves up just the right kind of understated splendour. Framed by natural backdrops like the majestic Tsitsikamma Mountains, you're spoilt for choice when it comes to experiences to enjoy with your loved ones. By day, soak up the beautifully moderate Cape climate and enjoy the great outdoors. Play tennis. Plan a picnic under the trees. Or go for a walk and set off exploring the paths that criss-cross the estate. swim, unwind in our dedicated yoga studio and gym, or simply fall in love with the background.

Tswalu offers a true wilderness experience on the southernmost edge of the Kalahari, and privileged access to the largest privately protected area in South Africa. With guaranteed access to a private safari vehicle, our guests have the freedom and flexibility to explore the remote reaches of the reserve in their own time and at their own pace. Besides game drives, safari activities include habituated meerkat encounters, nature walks, tracking, horse riding, stargazing, star-bed experiences, and meeting visiting scientific researchers and resident artists.

## Day 1: Arrival

Today we are chauffeur driven from our homes in luxury vehicles to the airport for a flight to Plettenberg Bay Airport.

In Plettenberg Bay we take a pit-stop at Nguni Restaurant for lunch.

After lunch we check in at Kurland Hotel & Spa.

Afternoon at leisure to soak in the atmosphere and to get acquainted with the hotel's facilities.

Supper at the hotel.

## Day 2: Polo and Horses

The heart of Kurland lies in the equestrian lifestyle and the famous polo matches that are held on the fields. Whether you're a horse lover and avid polo fan, or you're new to the whole experience, it's something everyone should enjoy at least once in their lifetime.

So, today we try our hand on the game of Polo with experienced guide at Kurland Hotel and including horse riding on the estate.

Breakfast, lunch and supper at the hotel.

### Day 3: Adventure and Adrenalin Rush

Today is a day of adventure and adrenaline rush with loads of fun at AfriCanyon. This kloofing trip navigates a river gorge in several different ways – from floating through the shallows and swimming in rock pools to leaping off boulders, maneuvering down water slides and abseiling in and around waterfalls. The cherry on the top is sure to be the zipline... It's suitable for anyone from age 8 upwards, as the professional river guides keep an eye on everything. We'll be kitted out with a wetsuit, helmet, life jacket and optional aqua shoes, and then it's game on!

Lunch at Bread & Brew Restaurant

After lunch we head out to Bloukrans Bridge for some bungee jumping and sky walking. This is the highest bridge in Africa and the world's highest natural commercial bungee jump, a drop of 216 metres, and it's a real adrenaline rush. We reach the launch site at the top of the bridge arch via a zipline (which is exciting enough) and once we have jumped, we get to do the Sky-Walk – a walkway suspended from the bottom of the bridge, for those who'd like to experience lofty views but don't want to bungee.

We return to the hotel for supper.

## Day 4: Mind, Body and Relaxation

Today is our last day at Kurland Hotel and we spend it relaxing with a full day spa treatment at Kurland Spa. The entire Kurland experience is geared towards relaxing your body, inspiring your mind, and rejuvenating your senses. This is amplified after experiencing indulgent few hours at the Spa. Facilities include a private steam room and sauna (complementary to spa clients pre- or post-treatments), two therapy rooms, a relaxation area, and a refreshing plunge pool.

Breakfast, lunch and supper at the hotel.

## Day 5 - 7: Tswalu Kalahari Beckons

Today after breakfast we are chauffeur driven to the airport for our flight to Tswalu Kalahari Reserve in Northern Cape.

Our time at Tswalu Kalahari will be spent on these experiences:

Safari experiences - no two Tswalu safari experiences are the same. That's because the way each person sees and touches this magical place will be shaped by their particular interests. Tswalu is a generous landscape and as the sun rises above the Korannaberg mountains each morning, new opportunities to learn, play and explore come to life.

Spending a night in one of our star beds, either directly under the night sky or under canvas, is an adventurous way to appreciate the sights and sounds of the southern Kalahari after dark.

Much of Tswalu's beauty can be found in the smaller details, which is best appreciated by getting off the vehicle. Then we get up close to the ripples left by the wind on the crest of a sand dune, notice a yellow flower opening to face the sun, or be able to trace the tracks left in the sand by a porcupine digging for roots. A walking safari makes it possible to see these and other signs left in the wild that add to our understanding of this fascinating wilderness. Following the tracks of iconic Kalahari species, including cheetah, brown hyena and aardvark, adds to the thrill of exploring on foot.

Join a group of habituated meerkats as they emerge from their burrows and warm themselves in the rising sun or meet up with them as they return home at the end of the day and groom and play at dusk.

And many other experiences.

Breakfast, lunch, supper daily.

## Day 8: Home Sweet Home

Today after breakfast we say goodbye to Tswalu as we take a flight back home

On arrival at OR Tambo International Airport we are chauffeur driven to our respective homes.
